Only a few weeks until the third season of Lost is back on our screens! Anyone else getting excited? ;p

I'm happy just watching Prison Break at the moment, but I think Lost is going to be much better! :D

I used to watch that, but I thought it got a bit too far fetched.

The film was awesome though :D

Are you serious the1ph33r?

There is a reason they call it science fiction you know, if anything Lost is way more far fetched than stargate ever could be.

I bet they're still stuck on the damn island.

Let the story die already, its not fun anymore.
